

CURRICULUM VITAE

I Here by Started that,

Name : Ario. Adimir Fibarata
 Address : Jl.. Manggis II no. 15 Jajar Solo (Central Java)
 Phone : (0271) 720912, (HP) 081-12448071
 E-mail : arioaf2000@gmail.com
 Qualification : Magister Petroleum Engineering Degree
 Nationality : Indonesia
 Place, Age : Jakarta – West Java, 16 Februari 1963
 Personality : Height : 167 cm Health : Excellent
 Language : Indonesia & English

Educational Background

University of Pembangunan Nasional “Veteran” (UPN) Yogyakarta at the Petroleum Engineering Faculty, Magister (S2) 2020

Works Experience

1989-1990 : Assistance Lecture at UPN “Veteran” Yogyakarta
 Job Title : To teach at Petroleum Engineering
 Customer : Universitas Pembangunan Nasional “Veteran” Yogyakarta

Responsibilities : Directly responsibility of Drilling, Production, Reservoir and Formation Analysis

 1990-1993 : Base Operation; Jakarta area
 Job Title : Chemist II (Drilling Fluid Engineer) - Jakarta
 Customer : Halliburton Company Energy Service Group

Responsibilities : Design Cement Slurry of Zone Insolation, Compatibility Test (Cement Slurry and Drilling Mud), Fluid Stimulation (Hydraulic Fract, and Acidizing)

 1993-1994 : Base Operation – South China Sea (Off Shore)
 Job Title : Leader Field Laboratory & Drilling Fluid Engineer (Off Shore)
 Customer : Maraton Oil Company (Field)

Responsibilities : Design of Cement Slurry of Zone Insolation and Compatibility Test (Cement Slurry and Drilling Mud) for Well of Off Shore

 1994-1995 : Base Operation – Singapore and China (On Shore)

Job Title : Leader Field Laboratory & Drilling Fluid Engineer
(On Shore)
Customer : Shell Oil Company (Field)
*Responsibilities : Design Cement Slurry of Zone Insolation, Compatibility
Test (Cement Slurry and Drilling Mud) for Well of On Shore*

1995-1996 : Base Operation Dieng and Bali - Indonesia
Job Title : Leader Field Laboratory & Drilling Fluid Engineer
(On Shore)
Customer : Himpurna California Energy and Bali Energy
*Responsibilities : Design of Cement Slurry of Zone Insolation, BP Settling
Test for Geothermal*

1996-1998 : Base Operation Ramba South Sumatra and Jambi.
Job Title : Leader Field Laboratory & Drilling Fluid Engineer (On
Shore)
Customer : Gulf Resources Ltd (Conoco Phillip) and JOB Pertamina
Jambi (Pearl)
*Responsibilities : Design Cement Slurry of Zone Insolation, Compatibility
Test (Cement Slurry and Drilling Mud), Fluid Stimulation
(Hydraulic Fract, and Acidizing)*

1998-1999 : Base Operation Mianmar – Birma and Thailand
Job Title : Leader Field Laboratory & Drilling Fluid Engineer
(On Shore)
Customer : Expans (Medco Energy) Oil Company - Birma
*Responsibilities : Design Cement Slurry of Zone Insolation, Compatibility
Test (Cement Slurry and Drilling Mud), Fluid Stimulation
(Hydraulic Fracturing and Acidizing)*

2000 : Base Operation Jakarta.
Job Title : Supervisor Laboratory Region of Asia Pasific
Customer : Halliburton Energy Service Group
*Responsibilities : To Coordinate and supervise regional technical
operation with strong focus on new technology Cementing
(Drilling Fluid) and Fluid Stimulation (Hydraulic Fracturing
and Acidizing)*

2001- 2006 : Lecturer at Universitas Proklamasi 45 YK
Job Title : To teach at Petroleum Engineering
Customer : Universitas Proklamasi 45 Yogyakarta
*Responsibilities : Directly responsibility Lesson of Drilling,
Production, Reservoir, Workover and Stimulation*

2003 - 2005 : PT. Prabhandaru Widya Mandiri

Job Title : Leader Training and Consulting (MIGAS)
Customer : All PSC MIGAS

Responsibilities : Directly responsibility and Coordinator Preparing Materi Lesson of Drilling, Production, Reservoir, Workover and Stimulation

2006 - 2008 : PT. ENERGI TATA PERSADA
Job Title : Drilling Engineer, Coordinator Project Drilling and Stimulation
Customer : TAC EKSINDO TELAGA SAID DARAT (Field Pangkalan Susu Medan)

Responsibilities : Directly responsibility and Coordinator Drilling Project and Stimulation, Workover.

2008 - 2013 : PT. PERTAMINA EP JAWA (REGION JAWA)
Job Title : Technical Operation Spicialis Sub Surface
Customer : PT. PERTAMINA CEPU FIELD JAWA TENGAH

Responsibilities : Directly responsibility for Drilling, Stimulation, Workover.

2013 - 2015 : PT. PERTAMINA JATIBARANG FIELD, ASSET 3
Job Title : Asistant Manager Workover and Well Services
Customer : PT. PERTAMINA JATIBARANG FIELD JAWA BARAT

Responsibilities : Directly responsibility for management of Departement Workover Well Services.

2016 – 2019 : PT. PERTAMINA EP Jakarta
Job Title : Advisor Well Services & Workover
Customer : PT PERTAMINA EP

Responsibilities : Directly responsibilities for Avaibility and Utility Rig/Hoist All asset WKP PT Pertamina EP

2020 – 2021 (Retired): PT. PERTAMINA EP Asset 4
Job Title : Advisor Well Services & Workover
Customer : PT PERTAMINA EP

Responsibilities : Directly responsibilities for Avaibility and Utility Rig/Hoist Asset 4 WKP PT PERTAMINA EP

2021 – Now : Politeknik Energy Mineral (PEM) Cepu, Politeknik Energy Mineral (Polnam) Ambon, University Of Proklamasi 45 Yogyakarta
Job Title : Well Maintenance of Practitioner Lecturer
Customer : Oil And Gas Student

Responsibilities : Provide Knowledge of Oil and Gas Well Maintenance

2021 – Now : Pusat Pengembangan Sumber Daya Manusia (PPSDM), Cepu
Job Title : Well Maintenance of Practitioner Lecturer
Customer : Oil and Gas Company, Geothermal Company

Responsibilities : Providing Refreshment of Well Maintenance Knowledge for Oil and Gas Certification

Certificated

- ✓ Cementing II from Halliburton Energy service, P.O. Drawer 1431, Duncan, OK, 1997
- ✓ “ Formation Petrophysical Evaluation “ Universitas Proklamasi 45 in association with P.T Elnusa Geosains Jakarta, 2001.
- ✓ “ Perimbangan Pemberdayaan Potensi Sumber Daya Manusia Baik Lokal Maupun Non Lokal Di Daerah Industri Perminyakan, Pertambangan at UPN “Veteran” Yogyakarta, 2001
- ✓ Instructor of “ Basic Reservoir and Drilling Engineering Technology “, at CV. HUSADA PRIMA Training and Oil & Gas Consultant, Yogyakarta, 2003
- ✓ Instructor of “ Basic Petroleum Engineering for PE and non PE ” at CV HUSADA PRIMA, Training and Oil & Gas Consultant, Yogyakarta, 2003
- ✓ Instructor of “ Acidizing and Fracturing “ at CV HUSADA PRIMA, Training and Oil & Gas Consultant, Yogyakarta, 2004
- ✓ Instruction of “ Fundamental of Drilling Operation on the Field Kenali Asam Pertamina Jambi “, Public Course and In-House Training, Jambi, 2003
- ✓ Instructor of “ Introduction to Petroleum for Non Technical Employee on the Tanjung Field Kalimantan Barat “, Public Course and In House Training (MCP) , Kalimantan, 2004
- ✓ Instructor of “ Production Operation “ at CV HUSADA PRIMA, Training and Oil & Gas Consultant, Yogyakarta, 2004

- ✓ Instruction of “ Water Flood “ at CV HUSADA PRIMA, Training and Oil & Gas Consultant, Yogyakarta, 2004
- ✓ “Stimulation Reservoir for Black-Oil System with IMEX (CMG Simulator), Studio Komputer Teknik Perminyakan, Universitas Pembangunan Nasional “Veteran”, yogyakarta. Desember, 2005
- ✓ Instruction of “Applied Well Completion and Stimulation” at Mutiara Citra Persada, (MCP) training Oil and Gas Consultant, Bandung, 2006
- ✓ The Society of Petroleum Engineers, SPE Petroleum Engineer Certification Programme, September 2011
